

## TAMODI'S WINTER MOUNTAIN BIKING RETREAT

Come and enjoy a mountain biking retreat while staying at Tamodi Private Nature Reserve. With breathtaking scenery and the opportunity to immerse yourself in nature, where else would you want to be in an African Winter?

We even have a relaxation retreat option for your partner, who may want to experience the Garden Route and Tamodi Lodge with you, but do not want to mountain bike!

Please browse through the two options below. Both guests may select the same option, or each select a different one. We understand that not everyone wants to cycle, and not everyone wants to kick back and relax!
